Notes：	<p>(英文)</p> <ol style="list-style-type: none"> 1. Elective courses may be added or reduced as necessary before the beginning of each academic year. The actual courses will be subject to departmental announcements. 2. General education courses are divided into four major fields: Humanities and Arts, Social Sciences, Life and Wellness, and Natural and Applied Sciences. Before graduation, students must select courses from any three of these four fields, taking one course (2 credits) in each field, for a total of 6 credits. 3. “Introduction to Early Childhood Education and Care” is a prerequisite for “Teaching Materials and Methods in Preschool I” and “Teaching Materials and Methods in Preschool II.” These two courses are, in turn, prerequisites for the “Kindergarten Teaching Practicum.”
